Re: Case No. 2456
Orders Nos. R-2155 and
WFX-142
Injection Pressure Increase

Dear Mr. Harbin:

Based on our telephone conversation today and test data submitted by your letter of August 7, 1982, the maximum authorized wellhead pressure for the described well is hereby increased to 2370 psi:

Malmar Unit Tr. 1 No. 2, Unit B, 13-T17S-R32E

Yours very truly,

JOE D. RAMEY
Director

JDR/RJ/fd
