Certificate of Ownership

I have reviewed the ownership of the oil and gas leasehold for Federal Oil & Gas Lease No. NMNM 096254 covering the E/2 of Section 10-T26S-R35E and for NMNM 096256 covering NE/4 of Section 15-T26S-R35E Lea County, New Mexico, for purposes of identifying an "area of uniform ownership" as set forth in NMAC 19.15.16.15B(8) and C(7). As of this date below, the ownership in the above described lease and lands is uniform as to the mineral estate in the objective formation as provided in 19.15.16.15B(8) and C(7) NMAC.

Hello Paul, please find attached Devon's "Certificates of Ownership" applicable to the following recently submitted Well Completion Reports:

Arena Roja Fed Unit 15-10 3H Well, API 30-025-46152
and
Arena Roja Fed Unit 15-10 4H Well, API 30-025-45736

This "uniform ownership" information demonstrates that Devon falls within the NMOCD rules for exception and approval of a Non-Standard Location (NSL) is not required.

We strive to submit these forms with the actual completion reports as they are filed with the NMOCD.

However, as in this case, please advise where these type forms should be sent when not included with the completion reports.

Your assistance is appreciated. Thank you
