Gentlemen:

Returned herewith are three signed copies of Form C-101 for the above well.

We plan to fill the pits and level the location on our Simpson No. 1 some time this week while we have earth-moving equipment preparing the location for our Spires No. 1. As you know, this equipment has to be hauled into this area from considerable distances; therefore, we were trying to accomplish both operations with one move. As soon as the pits have been filled and the location levelled and cleaned up, we will so state on the Form C-103 and return it to your office for your approval.

Yours very truly,

GENERAL CRUDE OIL COMPANY
