INSTRUCTIONS

This form is to be filed with the appropriate District Office of the Commission not later than 20 days after the completion of any newly-drilled or deeper well. It shall be accompanied by the log of all electrical logs run on the well and a summary of all special tests conducted, including full stem tests. All tests reported shall be measured in feet. In the case of horizontally drilled wells, true vertical depths shall also be reported. For multiple completions, Items 1 through 6 shall be reported for each zone. The form is to be filed in triplicate except on state land, where six copies are required. See Rule 11-1.
