Dear Mr. Bennett:

Enclosed please find our Form C-105 and a water well conversion form for the above-referenced well. The Form C-105 must be filled out where applicable and a copy of any logs that were run must also be submitted. The water well conversion form must be signed by you, the landowner, and then notarized. Upon receipt of these forms, your bond can then be released.

Should you have any questions pertaining to this matter, please contact this office.

Sincerely,
