Attention: Chester Lambert

Dear Mr. Lambert:

Enclosed please find an approved copy of the contract between Baker and Taylor and the Oil Conservation Division for plugging services performed on the Mary Kay Well No. 2 located in Union County, New Mexico. I am informed by the OCD staff that we cannot process your voucher, dated May 2, 1984, for these plugging services because we do not yet have final paperwork indicating that the location has been cleaned and is ready for inspection. As soon as our staff informs me that paperwork on this well is complete, I will process the voucher for payment.

Thank you again for all of your help with this work.

Sincerely,

W. PERRY PEARCE  
General Counsel
