05-21-2009

A white corrugated metal building with a blue sign and a wellhead. The sign is mounted on a metal frame and contains the following text: "MESQUITE SWD, INC.", "DUNAWAY #1", "SEC. 23, T22S, R27E", and "BRINE WELL, EDDY COUNTY". To the right of the building is a wellhead with a black circular valve handle. The building has a small air conditioning unit on its side. The ground is dirt and gravel, and there are some rocks in the foreground. In the background, there are some buildings and a field under a cloudy sky.

MESQUITE SWD, INC.
DUNAWAY #1
SEC. 23, T22S, R27E
BRINE WELL, EDDY COUNTY

A wellhead assembly is situated in a gravel-paved area. The assembly consists of a vertical pipe with a green-handled valve and a horizontal pipe with a pressure gauge. A blue sign on a metal frame provides identification details. The background shows a flat, open landscape under a cloudy sky.

MESQUITE SWD, INC.
DUNAWAY #2
SEC. 23, T22S, R27E
BRINE WELL, EDDY COUNTY
