All,

The OCD has received the C-141 form you provided on \_06/05/2019\_ regarding an unauthorized release. The information contained on that form has been entered into our incident database and remediation case number \_1RP-5533\_\_ has been assigned. Please refer to this case number in all future correspondence. However, because the nature of the release, there is no corrective action possible and the case has also been administratively closed.

Also, it is not necessary to send District 1, or Lea County release information to Amalia Bustamante. She deals strictly in Eddy County or District 2 releases.

Thanks,

### Dylan Rose-Coss

To Whom It May Concern;

Attached you will find the completed C-141 form from the Buckeye CO2 Plant 05/29/2019 event. I was also informed to include the volume release calculation; which you will also find attached. This document was completed using the updated C-141 form.

NMOCD was contacted immediately upon discovery of the event.

If additional information is needed please do not hesitate to contact me.

Thank you,
