Mr. Robbins,

The OCD has reviewed the closure workplan proposed for the Apache Sinclair B State No. 003. The proposed plan is acceptable to the division and permission is granted to proceed with the closure work.

Please update the division on the projects progress and the division will be on the lookout for the final closure report 60 days from completion of closure activities.

Thanks, and let me know if you have any questions.

Best,

Dylan Rose-Coss
