Mr. Hamlet/Mr. Mann,

Under the new spill rule a closure report is due for the above release on July 16, 2019. COG is waiting on work plan approval from New Mexico State Land Office and would like to request an three month extension until October 16, 2019 to obtain State Land Office approval and conduct remediation activities.

Thank you,

Becky Haskell

[Robert.Hamlet@state.nm.us](mailto:Robert.Hamlet@state.nm.us)

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
