Submittal of Hydrostatic Test Wastewater Discharge Report

Dear Mr. Jones:

As required by Permit No. HBP-036 Condition 11, ONEOK Permian NGL Operating Company, L.L.C. (ONEOK) submits the report, summarizing each hydrostatic test wastewater discharge event conducted during the approved 120-day period of June 29, 2021 through October 28, 2021. ONEOK did not discharge any hydrostatic wastewater generated from the testing of new pipeline during the reporting time frame.

If you have any questions or require additional information, please contact me at (432) 488-6551 or camilo.chavez@oneok.com.

Sincerely,
ONEOK Permian NGL Operating Company, L.L.C.
