Secretary
New Mexico Oil Conservation Commission

Dear Sir:

The R. Olsen Oil Company requests your approval to form an unorthodox proration unit of 80 acres consisting of the E/2 NE/4 of Section 7-25S-37E on which is located its Calley #1.

The R. Olsen Oil Company warrants that the non-standard gas proration unit consists of a contiguous half quarter section lying wholly within a governmental section and further warrants that the non-standard gas proration unit is reasonably presumed to be productive of gas and that the length or width of said unit does not exceed 5280 feet.

By copy of this letter all offset operators within Section 7 and within 1500 feet of subject well have been notified of the company's request for an unorthodox proration unit.

Yours very truly,

R. OLSEN OIL COMPANY
