RE: Administrative Application for
an 80 Acre Eumont Gas Pool
Proration Unit, Mexico #3,
S/2 NE/4 Sec. 18, T20S - R37E
Lea County, New Mexico

Dear Mr. LeMay:

John H. Hendrix Corporation respectfully requests administrative approval for the creation of a non-standard 80 acre Eumont Gas Proration Unit for the Mexico #3, consisting of the S/2 NE/4 of Section 18, T20S - R37E.

The well currently has a 160 acre proration unit. Due to the producing capacity of the well, an 80 acre proration unit is sufficient for allowable purposes.

Attached is a commercial map and a Form C-102 plat illustrating the proration unit acreage and well location. A copy of this administrative application is being provided to our offset operators via certified mail.

If you have any questions, please contact Ron Westbrook at (915) 684-6631.

Very truly yours,

A handwritten signature in cursive script that reads "Ronnie H. Westbrook".
