Re; Annual Report on AP-33 - 2019

Dear Stephen,

Following review of above indicated report, the following:

The Oil Conservation Division (OCD) APPROVES of the requested changes in monitor well scheduling, as well as EFR requests.

OCD appreciates your efforts. Please keep a copy of this communication, as no paper copy will follow. It will take some time for this report and response to be uploaded into imaging file.

Sincerely,

Bradford G. Billings

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
