Re: Report and Closure Request for GW-351 (SOILS)

Upon review of data and applicable regulations and standards, the Oil Conservation Division (OCD) concurs with findings as presented and APPROVES the closure of the soils portion of GW-351.

OCD appreciates your efforts. Please keep a copy of this communication, as NO paper copy will follow.

Sincerely,

Bradford Billings

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations
