Was this a major release as defined by	If YES, for what reason(s) does the responsible party consider this a major release?							
19.15.29.7(A) NMAC?								
☐ Yes ☐ No								
If YES, was immediate no	otice given to the OCD? By whom? To whom? When and by what means (phone, email, etc)?							
Initial Response								
The responsible party must undertake the following actions immediately unless they could create a safety hazard that would result in injury								
☐ The source of the rele	ase has been stopped.							
☐ The impacted area has	s been secured to protect human health and the environment.							
Released materials ha	we been contained via the use of berms or dikes, absorbent pads, or other containment devices.							
☐ All free liquids and re	ecoverable materials have been removed and managed appropriately.							
If all the actions described	l above have <u>not</u> been undertaken, explain why:
