Subject: [EXT] XTO- Extension Request- Poker Lake CVX JV PC 005H (2RP-5658)

All,

XTO is requesting an extension of the current 90-day deadline for submitting a remediation work plan or closure report required in 19.15.29.12.B.(1) NMAC at the Poker Lake CVX JV PC 005H (2RP-5658). The release was discovered on September 10, 2019 and initial site assessment began September 11, 2019. Further remediation work at the site continued through November and should be complete pending a review of analytical results. In order to review the results of final confirmation sampling and draft a closure report or remediation work plan XTO requests a 30-day extension of the current deadline until January 9, 2019.

Thank you,

Tacoma Morrissey
