NRM1935235986 PLU 421 BATTERY @ 30-015-41033

Mr. Littrell,

The OCD has approved the Closure C-141 for incident # NRM1935235986. No further action is required at this time and the signed C-141 can be found in the online image data base under the incident #.

Thanks,

Cristina Eads

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
