Tom Bynum – DEVON

Hello,

Regarding the above indicated incident nDEV3725 the following: As of this date the incident is CLOSED in the data base. Please keep a copy of this communication as no paper copy will follow. We appreciate your efforts.

Sincerely,

Bradford Billings  
EMNRD/OCD

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations

Good afternoon Mr. Billings,

I have another one that I could use some more help on if there might be any, surrounding this incident from 1985? Same situation as the last one, I have not found where this specific well exists. Page 2 of this attachment shows the wells that came up when I searched the STR.

I would appreciate any help I could get on this one as well, have a great day sir!

**Thank you,**

**TOM BYNUM**
