Hello,  
09/22/2020

Tom Bynum - Devon

Regarding the above indicated incident nDEV1541, the following:

Site is closed in data base as of today. Please keep a copy of this communication as no paper copy will follow. Thank you for your time.

Sincerely,

Bradford Billings  
EMNRD/OCD

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations

**Subject:** [EXT] NDEV1541 - Shinnery 14 Fed 33

Good morning Mr. Billings sir,

I was wondering if there might be any other info surrounding this incident from 1990? I have not found where this specific well exists anywhere, and page 2 of this attachment shows the one and only well that comes up when I searched the ULSTR.

I would appreciate any help I could get on this one, have a great day sir!

**Thank you,**
