Was this a major release as defined by 19.15.29.7(A) NMAC?  Yes No  If YES, was immediate no	If YES, for what reason(s) does the responsible of the order of the OCD? By whom? To whom	le party consider this a major release?  ? When and by what means (phone, email, etc)?		
	Initial Resp	oonse		
The responsible p	party must undertake the following actions immediately un	less they could create a safety hazard that would result in injury		
☐ The impacted area had ☐ Released materials had ☐ All free liquids and re	ease has been stopped.  Is been secured to protect human health and the ave been contained via the use of berms or dike ecoverable materials have been removed and mediabove have not been undertaken, explain why	s, absorbent pads, or other containment devices. anaged appropriately.		
Per 19.15.29.8 B. (4) NMAC the responsible party may commence remediation immediately after discovery of a release. If remediation has begun, please attach a narrative of actions to date. If remedial efforts have been successfully completed or if the release occurred within a lined containment area (see 19.15.29.11(A)(5)(a) NMAC), please attach all information needed for closure evaluation.				
I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to OCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the OCD does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to groundwater, surface water, human health or the environment. In addition, OCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
