RE: NRM2022150038

In review of the supplied information and with the understanding that the additional excavation that has occurred will supply needed information in final report, the remediation plan and variance request is APPROVED. The Oil Conservation Division (OCD) appreciates your efforts. In data base I am now listed as the reviewer. Leaving Mr. Hamlet, Ms. Venegas and Ms. Eads on this communication is for their reference only in terms of Pay Portal listing.

Please keep a copy of this communication, as no paper copy will follow. If there are any questions, please contact as needed.

Sincerely,

Bradford Billings

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
