Subject: [EXT] Marathon Oil Company - Notice of Liner Inspection - RICK DECKARD STATE 4 WA STATE #002H - NAPP2101561606
Date: Tuesday, February 2, 2021 7:48:45 AM

Good Morning,

Please let this email serve as the required notice for a liner integrity inspection at the Rick Deckard State #002H to take place this Friday (2/5/2021) and approximately 9am. As the majority of this release remained inside of the containment, this liner inspection will be included in the final closure report once the characterization and any required remediation of the small area of impact on the engineered pad is complete.

Thank you
