Amy Barnhill – Chevron

Re: Closure Request for 1RP-2673/nBGB2103941074

Upon review of available data and information this incident/RP is APPROVED FOR CLOSURE. It is now closed in Oil Conservation Division (OCD) data base, and can be reviewed by incident search. Imaged file will follow soon.

Please keep a copy of this communication, as NO PAPER copy will follow.

Thank you for your efforts.

Sincerely,

Bradford Billings

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
