**Subject:** Closure: Key BW-18

Dear Key Energy Services,

I have reviewed the **BW-18**(30-025-07551) files submitted on your behalf by Mr. Wayne Price regarding the above-referenced site. The available information indicates **Key Energy Services** has met the requirements and no further corrective action is required. You are hereby notified BW-18 (30-025-07551) is closed.

This determination by the Oil Conservation Division does not relieve **Key Energy Services** of responsibility should future information indicate a threat to ground water, surface water, human health, or the environment. Furthermore, it does not relieve **Key Energy Services** of responsibility for compliance with any federal, state, or local laws and/or regulations.

Respectfully,

Tomas J Oberding PhD  
Hydrologist

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
