For

EOG

Raven,

Please forward this to appropriate EOG personnel. The incident NMLB1034046865, is now closed in the OCD data base. Please keep a copy of this communication, as no paper copy will follow. It will take some time for this to appear in image file.

Thank you for your efforts.

Sincerely,

Bradford Billings
EMNRD/OCD
E.Spec.A

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations
