Attention: Mr. R. L. Chance, Claims Dep't

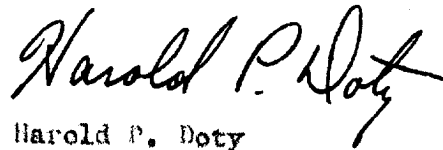

Dear Mr. Chance:

I talked to Mr. Kapteina with the Oil Conservation Commission several weeks ago and he advised me they had written to you, outlining how they desired the two wells to be plugged.

I had hoped I would hear from you, outlining what was required and requesting a quotation or estimate from me for doing this plugging.

Please advise if the job has already be contracted, and if not, what your company plans are.

Yours very truly,

Harold P. Doty
