Mr. Carl Ulvog
State of New Mexico
Energy and Minerals Department
Oil Conservation Division
P. O. Box 2088
Santa Fe, New Mexico 87501

Dear Mr. Ulvog:

Enclosed is a well completion report and a sundry notice on our recently completed Hunter #1 well. The drill site will be reclaimed as soon as the weather will permit our contractor to move his equipment in.

Also please be advised that our Davis #1 well, on which we previously reported, has now been reclaimed. Please advise us how we should obtain a release on our bond.

Sincerely yours,

R. A. Hildebrand
