EXCEPTION TO TESTING PROCEDURE
MOBIL OIL CORPORATION'S
CLYDE BERLIER, WELL #1
CO₂ GAS WELL, WILDCAT FIELD
MORA COUNTY, N. M.

Gentlemen:

Mobil Oil Corporation respectfully requests exception to the testing procedure for the subject CO₂ gas well. Instead of testing at four rates for four hours each rate, Mobil desires to test at the required four hour period for the first three rates and for a 24 hour period at the fourth rate. Mobil believes this procedure is necessary to allow the well to clean up in order for its producing ability to be more accurately determined.

Yours very truly,

J. A. Morris
Regulatory Engineering
