RE: Mountainair Oil & Gas Co., Inc. - Veal #1
NWSE Sec. 32-4N-7E Torrance County

Dear Sir:

I am enclosing an approved copy of your C-102, Notice of Intention to Pull or Alter Casing. I would be pleased to have your C-103 which is your report on result of your operations. If the operations are not complete I would appreciate a note from you stating what progress you have made.

I have had another letter from Pacific Employers Insurance Company stating that they are anxious to cancel the bond on the above captioned well, and unless your operations can be terminated in the near future it will probably be necessary for us to insist on another surety company to replace the obligation of the Pacific Employers Insurance Company.

Very truly yours,

ELVIS A. UTZ,
Gas Engineer
