Gentlemen:

As stated in our telephone conversation of this date, it is our understanding that Daco Lease and Well Service Company plugged the above-captioned well for Oil Exploration, Incorporated.

In order that we may complete our file on this well, we would appreciate it if you would fill out the enclosed Forms C-103, Report on Plugging, and submit same to this office in triplicate.

In doing so, please outline the procedure followed in plugging. State how much pipe was pulled, how many sacks of cement were used, the estimated intervals covered by the cement plugs, etc., and sign the forms Daco Well Service Company, agents for Oil Exploration, Incorporated, in this plugging operation.

Your cooperation in this matter will be greatly appreciated.

Very truly yours,

**DANIEL S. NUTTER,
Petroleum Engineer**

DSN/ir

P.S. If Daco plugged the other Oil Exploration Well on the same 40-acre tract, we would appreciate receiving the plugging report on this well too.
