Director of Oil Conservation Commission
State Capitol Building
Santa Fe, New Mexico

Dear Sir:

I wish to thank you and your associates for the very frank and enlightening discussion in regards to Sunol Oil Company #1 Well located in Valencia County, New Mexico and for the friendly manner in which you received me.

At the time of our meeting, I expected the directors of the company to meet with you the following Monday, but due to circumstances beyond our control, this will have to be delayed a short while.

However, at this time, I am filing for bond and filling in the blanks furnished by you for a permit to continue this well. Our Mr. Walker will be on the ground June 12th to survey same and make a written report to this company as to his impressions of the well. In approximately three to four days from that time we will have our answer whether to continue with this operation or discontinue same.

Again thanking you for your kind considerations, I am

Yours very truly,

SUNOL OIL COMPANY
