Mike and Heather,

I tried to send this to you guys yesterday, but the file was too big for your system. I removed a couple photos and hopefully this one will go thru.

Thanks.

Mr. Amos,

Pursuant to your request, the coordinates for the beginning and end of the flow path are as follows:

release point 32.76935, -104.31336

ending location 32.76297, -104.31345

I've also attached a couple photos. Please let me know if you need anything else.

Thank you.
