Chase,

I can't locate that work plan in our files. Can you please forward me another copy so I can review that?

Thanks,

Attached are the analytical results for the above listed location from sampling of the excavated soil that has been under remediation for at least 90 days. All results are under the RRAL for site ranking (0), Yates Petroleum Corporation now requests approval to commence with backfilling of the excavation in continuation of the approved Work Plan submitted May 5, 2014.

Thanks,

*Chase Settle*
