Mike

We will starting the proposed remediation on the Loving State #2TB on Monday (3-3-14). Once completed, the Myox 32 Fee #2H site will be remediated next after the Loving site. The remediation for each site will be performed according to the submitted work plans. Tetra Tech will also notify you during each phase of the remediation project or any schedule changes or delays on the project. Let me know if you need additional information, thanks
