RE: COG \* BKU Central Tank Battery SWD \* 30-015-27764 \* 2RP-2565

Amanda,

While I agree that this site is a good candidate for cleanup deferment, the OCD cannot approve one without a site delineation. Please delineate the site to the extent that can be achieved safely. Once that delineation is supplied to the OCD we will be able to grant your remediation deferment.

If you have any questions or concerns please contact me,
