Mr. Bratcher/Mr. Patterson/Ms. Tucker,

Attached for your consideration is a work plan for the Electra Federal 33 Tank Battery (30-015-36468). In looking through our records, it was discovered that the BLM was over looked during the initial notification. I have attached a copy of the initial C-141 submitted to the NMOCD. Please free to contact me with any questions or concerns.

Thanks!
