Mike and Shelly,

I have attached the remediation materials that we used in our discussions about the remediation plan for the Oxy Sand Dunes 28 Federal #1 SWD Battery. Both of you have now verbally agreed to this plan as depicted on the aerial diagram.

If you would please reply via email with your approval and concurrence of this plan, it would be greatly appreciated. As soon as your email approval is received, Oxy plans on implementing this plan immediately. If you have any questions, please let me know.

Thanks, Cliff
