Subject: SM Energy - ESDU #2 Borehole Installation

Good Morning,

Tetra Tech will be on location on Tuesday, February 17, 2016 to install two boreholes at the SM Energy – ESDU #2 in order to define extents in the areas of auger holes (AH-5 and AH-7). The work is expected to be completed in one day. Once defined, Tetra Tech will prepare an amended work plan for approval. In the event our proposed schedule changes, I will send you a follow up email.

If you have any questions or concerns, please feel free to contact me.

Thank you,

Clair Gonzales
