Todd 22 #2 Battery lab data.pdf

Lady and Gentleman,

Attached please find the confirmation sample at S-4 for the above referenced release. The NM 811 OneCall has already been made to complete the remediation activities. I don't have the cost center code or the work order.

Stacie are you going to want ALL the cost estimate numbers on work that remediation's activities have already been started and in the process of being completed? Please advise.

Thank you.

Kimberly M. Wilson
