Kimberly,

Your closure request is approved.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, and for notification, please contact me.

Mike,

I couldn't find where I had sent this to you on Friday May 13, 2016 so just in case here it goes again.

Attached please find the Closure Report along with the Final C-141 for the above reference release. Thank you.

Respectfully submitted,

Kimberly,

Kimberly M. Wilson
