Good morning all,

I am checking in on the status of NMOCD/NMSLO approval or non-approval of the work plan that was submitted on July 14, 2016 for the Satchmo SWD State #1. Yates would like to move forward with getting this site cleaned up as soon as possible.

I've re-attached the work plan and all supporting documentation to this e-mail.

Thank you,  
Amber Griffin
