Carie,

I am pretty sure Shelly Tucker sent you an approval for this one.
As for the OCD we are needing a little clarification. I had looked at this one a while back and meant to get Mike Bratcher here in my office to look it over. We just did and we were wanting to know, was there any dirt work done on this one or not?

Thank you,

Crystal Weaver

Crystal/ Shelly,

Do either of you have an update on the Remnant Oil Operating Brainard 008 final closure? I do not see an approved /denied C141 in the system yet.

Thanks,
