Mike,

This e-mail is to confirm our discussion concerning the remediation plan for the OXY Spuds 25 Federal Battery release. I have attached the information packet that we used in our discussion with a cover page describing the remediation plan that we agreed upon.

If you would please reply via e-mail with your concurrence on this plan, it would be greatly appreciated.

Shelly,

I have attached a remediation plan for the OXY Spuds 25 Federal Battery release. This plan has been approved by Mike Bratcher of the NMOCD. OXY is requesting the BLM's approval of this plan as well. Upon your review of the materials, it would be appreciated if you would respond via email with the BLM's approval.

Thanks, Cliff
