Subject: RE: Eddy County Mercury Fee Leak (2RP-1929 & 2RP-1917)

RE: Enterprise Field Services * 2RP-1917 & 2RP-1929 * DOR: 9/6/13

The above referenced release events are approved for closure.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, please contact me.

Subject: Eddy County Mercury Fee Leak (2RP-1929 & 2RP-1917)

I have been asked to forward the following information:

Mr. Bratcher,
Per your request regarding final C-141 forms for previous Enterprise Field Services pipeline releases, please find the attached documentation. Please note, the event was inadvertently assigned two identification numbers as listed below.

Please let Alena Miro know should you have any questions regarding this submittal.

Responsible Party ID	Date of Event	Line Number
2RP-1917	9/6/2013	Mercury Fee Line

2RP-1929	9/6/2013	Mercury Fee Line
