Subject: RE: Max Friess Tank Battery, section 30, T17s, R31e, SWNE
Attachments: Max Friess Tank Battery-090911 spill-spill map-091211.jpg

Gentlemen,

After a conference with Jim Amos, BLM, we have made the determination that the Max Friess Tank battery is a federal mineral state surface tank battery. So cleanup plans will need to be submitted to both the OCD and BLM. I am forwarding a spill map of the site for your reference.
