Christine,

OCD concurs with BLM approval of Talon's current proposal for remediation of the above referenced release. Please advise once remedial activities have been scheduled.

If you have any questions or concerns, and for notification, please contact me.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

All,

Please find attached the revised work plan for the Pintail. As soon as we have approval, we will begin work.

Thank you!
