RE: Vanguard Operating * Pathfinder AFT State #11 * 30-005-62810 * 2RP-4086

Chuck,

Hey just wanted to also give you a quick FYI item, please make sure to include Amber Groves (she is from the State Land Office) on all of your C-141 that occur on state land (I cced her on this email since this site involved state land), as well as for spill incidents that occur on federal land please make sure to include Shelly Tucker from the BLM Carlsbad office her email is stucker@blm.gov and phone number is 575.234.5905 (please note: There are times where Shelly may not be your BLM contact, because there is another BLM district in Roswell that handles BLM land spill incidents as well, so it just depends on which of the two BLM districts your spill occurs in. Please get with Shelly for further clarification on that matter). Thank you! ☺

I have included a scanned copy of the signed Initial C-141 Remediation Permit along with an attached Conditions of Approval. The OCD tracking number for this event is 2RP-4086.

Thank you,
