RE: COG * Michalada Fed 3 * **2RP-4246** * DOR: 6/9/17

Greetings,

Your proposal for remediation of the above referenced release is approved. Please advise once remedial activities have been scheduled, and, in the event proposed excavation depths are not achieved. Federal sites will require like approval from BLM.

If you have any questions or concerns, and for notification, please contact me.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
