Subject: Livingston Ridge SWD Water Line Meeting

Importance: High

Yates is requesting a meeting with BLM and NMOCD to discuss the release that occurred at the Livingston Ridge SWD Water line on October 27, 2013. We want to get this release cleaned up and options need to be discussed with Yates, BLM, and NMOCD.

Yates is available next Tuesday (3/18) anytime or next Thursday (3/20) morning. Would BLM and NMOCD be available to meet either of these days? If not, we would have to try to get a meeting scheduled the week after that.

Yates personnel would be willing to drive to Carlsbad to have the meeting at BLM offices or we can meet here at Yates' offices.

Thanks,

Amber Cannon
